9/25/67

Dear Mr. Murr,

Your letter of 9/21, which I have read, and the attached memo, which I'll read carefully later, are both helpful and welcome. Keep it up. If I do not answer, it is not from lack of interest. I'm working to finish up as fast as I can the completed fifth book, POST MORTEM, and to get on with the others. Some of your letter is new to me. Again, thanks.

Sincerely,
